

Dear fellow Surf Club members:

Re: 2012 Australian Surf Life Saving Championships, Kurrawa Beach, Monday 26 March 2012, to Monday 2 April 2012

The Point Lookout Surf Life Saving Club Inc. is again providing tendered workforce services for the Australian Championships at Kurrawa Beach.

We are essentially providing the same services as previous years (being Rubbish/Cleaning, delivery of meals to Officials, delivery of meals to our own workforce, and Crash Patrol).

If your club can assist with providing numbers for the workforce, we would love your support, and look forward to discussing further with you in the very near future.

We are willing to pay \$100 per person per day to your club for the supply of these club members. Members are not required to be proficient bronze medallion holders (although this is still preferred for Crash Patrol), but **MUST** be financial members of another surf club. Times for each day are 7.30am to 4.30pm (approx). Relevant information for each section:

(A) CLEANING:

To distribute rubbish bins and liners throughout the venue.

Emptying of the rubbish bins as required.

Throughout the site there will be several areas with multihull toilets; these are to be serviced on regular bases over the duration of the event.

(B) CATERING:

Personnel are to distribute water containers, drinking cups and other consumables supplies to the various locations within the championship precinct. The deliveries are required prior to the commencement of the events each day and periodical checked throughout the remainder of the day.

Morning teas will be collected by the officials from the meals tent during breakfast.

Lunch and afternoon teas will need to be distributed throughout the areas.

(C) CRASH PATROL:

These personnel are to be physically fit and capable of undertaking manual tasks.

There may be times when they are required to move judging towers etc. to and from the water, up to waist depth. All the personnel in this section are to be allocated to each of the many competition areas, to provide assistance to the officials.

Directions will be via the Sectional Referees or the Venue Manager.

We will provide all meals during the day (breakfast, morning tea, lunch, afternoon tea, light dinner).

Can you please let me know if your club would be interested in this opportunity and the numbers you can supply.

If you require any information in the interim, please do not hesitate to contact me on 0409 895 086

Thanking you in advance,
